Group Reflection:

- How did you feel about this milestone? What did you like about it? What did you dislike?
  - Good beginning milestone. Outlined the problems and helped us to better understand the project. We liked that lab time was given.
- What did you learn about yourself as you collaborated and worked through this milestone?
  - We learned how to work as a team
- How will you use what you have learned going forward?
  - We will now be able to use VSM on any problems going forward
- What "stuff & things" related to this milestone would you want help with?
  - More clearly outlined VSM requirements
